## 2006 Poker Showdown II Champion

### Scottie "Too Hottie"

Dear Player,

The ReversalSports Poker Tour (RPT) had its best turnout since the inception of the Tour early in 2005. 28 players came out for the 2006 RPT Poker Showdown II as Scottie "Too Hottie" Yarymowicz walked away with his 2<sup>nd</sup> Tour Championship, securing his spot as the Tour's #1 player and his place on the RPT Wall of Fame. Some new faces on the tour came through with impressive showings, as first time RPT-ers, Dan Rodrigues and James Gauthier took 3<sup>rd</sup> and 5<sup>th</sup> place, respectively. Andre "Esta" Carrier continues his impressive stretch of play, keeping his streak of RPT final tables in check at 3. Tom DeCoursey improved upon his early exit at Poker Challenge I by battling Scottie "Too Hottie" to the end, taking home \$750 for his efforts. In the end though, Scottie worked his early chip lead to perfection and was too much for the competition to handle, making it look easy down the stretch as he cashed for a cool \$1,300.
