Presents

Poker Challenge III

November 3rd, 2007

Dear Player,

Season III of the ReversalSports Poker Tour (RPT) has by far been the most successful season to date. At the Poker Challenge III this past Spring, we crossed 2 major milestones. First, with the attraction of 9 new players at our latest tourney, we crossed the 50 member mark which means each tournament will continue to get bigger and better. Second, and more importantly, we broke the \$10,000 mark in total Tournament payouts since the Tour inception in 2005! The RPT has experienced phenomenal growth over the past 3 years, with each tournament breaking records for participants and payouts. Our latest tournament was the largest tournament ever, as 35 players came out to chase down an RPT Title.

On November 3rd, 2007, we invite you back to the ReversalSports Advisors' (RSA) lavish poker room to compete for the honor of being the 6th champion on the Tour. Located in the heart of beautiful Ashland, MA, the RPT poker room takes pride in its unmatched comfort, amenities and fast-paced action. Our non-smoking poker room is open 24 hours a day and provides access to unlimited beverages.

Remember, the RPT is not only known for its Championship Events, but also its intense late night games that follow. There is plenty of action for all levels of play, but if you're planning to be around late in the morning, don't forget to hit the ATM before you show up – and if you have the typical \$400 daily limit, you might want to hit it a few days in advance!

At the RSA Poker Room, the beverages flow 24/7 and there is only one motto "In this Game... Winning is Everything!" With the expansion of the RPT Poker Room to 4 tables last year, we have capacity for 40 players, however, at the last tournament, we had to go to a waitlist as RPT-ers signed up for the tournament early and often! We ask that participants not ready for a 100% commitment leave seats unclaimed so that we may have the maximum amount of players on tournament day.

Look forward to seeing you there!

Sincerely,
Zip Zalapski
ReversalSports Poker Tour Chairman
