

ReversalSports Poker Tour

2007 Poker Showdown III Champion

Andre "Esta" Carrier

Dear Players,

A quick bit of RPT trivia to start the day: what RPT Professional has made the most final table appearances (4) in the history of the ReversalSports Poker Tour (RPT)? The answer: Andre "Esta" Carrier.

Carrier staked his claim as the Tour's #1 player at the Poker Showdown III -- now sitting right behind Scottie "Too Hottie" Yarmowicz on the career earnings list. Carrier's resume includes 4 final tables and one Championship while Yarmowicz's claim to fame is back-to-back RPT Showdown titles in 2005 and 2006. #1 player? That is for you to decide!

The turnout for RPT events continues to grow as does the reputation of the RPT for providing the most solid high stakes poker in New England, both on a tournament and cash game basis. 35 players came out for the 2007 RPT Poker Showdown III, the most in the 3 year history of the Tour, with Andre "Esta" Carrier taking home the largest first place prize ever -- \$1,500. At each tournament, new faces continue to make an impression on the Tour, as first time RPT-ers Bob Luiso and TJ Taylor made solid runs, earning 2nd and 4th place finishes respectively. Seasoned veterans Rob Kelly, Gary Janik and Casey Paton rounded out the cashes. In the end though, it was Carrier coming from behind to chip away at Luiso's early massive final table chip lead to take the title. Carrier battled a strong field, which included all 3 prior RPT Champions, and showed some impressive patience throughout the tournament to make it to the final table. Along the way, he was able to capture a little lady luck from Jackie "Ms. Woods" Zielinski as well.

With \$3,500 in cash prizes paid out at the PSIII, we are more than well on our way of breaking last year's payout of \$4,900. The RPT is always looking to broaden its distribution, so please forward any e-mail addresses of players interested in joining the Tour. We look forward to seeing you again at our fall classic, the RPT Poker Challenge III. The Tour Committee will be looking seriously at raising the Challenge entry fee to \$150 to make the cashes that much more attractive. Any feedback our Tour members can provide on this decision is welcomed. Please e-mail rsapoker@reversalsports.com with comments.

As always, the house does not take a percentage off the top of the prize pool for hosting the event, with all entry fees paid out in cash prizes. A special thanks goes out to our latest Champion, Andre "Esta" Carrier, for dropping the house 2 bills to help cover half the event costs. The Tournament Committee would also like to thank Bruce Taylor for a superb job dealing the final table and keeping the action moving!

Finally, for the first time in the history of the ReversalSports Poker Hall, the boyz broke out the stogies at 3am, breaking our strict policy of being a non-smoking poker hall. The stogies proved to more of a catalyst than the red bulls to keep the game going until sunrise. As always, we hit \$30-\$60-\$90 and might have actually hit \$40-\$80-\$120 for the first time (I can't quite remember). In any event, as Tournament Chairman and active player in the late night games, I have to admit we actually missed having the controversy of the Bannish Brothers during the late night games and hope to welcome them back in the fall!

Have a great summer, good luck at the tables and see you in the fall!

Sincerely,
Zip Zalapski
ReversalSports Poker Tour Chairman
